

SLA Management

Foodservice Solutions - Providing Fuel for Learning

July 2008

To: Students and Parents of Berean Christian School

We would like to take this opportunity to introduce our company to everyone at Berean Christian School. SLA Management is an Orlando based school lunch management company. We provide managed school lunch programs at private schools throughout Central and Northern Florida.

We are pleased to announce that we have been selected to manage a hot lunch program at Berean Christian School for the 2008-2009 school year. We prepare and serve on-site a daily, balanced, and nutritious hot lunch for the students and staff at your school. All of our **pre-school, elementary and intermediate** hot lunches meet or exceed the National School Lunch standards for daily meal requirements of protein, vegetable, fruit, dairy and grain. We use only high quality, name brand food products in our lunches. Our lunch programs are designed to be a healthy and positive experience for the students and staff of your school. All menus are reviewed and approved by a Registered Dietician and contain no trans fats. **Jr High and High School** students will have a full health-based a la carte menu including a "Meal of the Day" entrée with side selections, varied salads, sandwiches, or wraps with side selections.

PRE-SCHOOL, ELEMENTARY, and INTERMEDIATE: These lunches are priced at \$3.50 per meal which includes a full lunch and beverage choice of milk, juice or water. **We utilize only lunch tickets** which can be purchased in books of five for \$17.50 and can be used any day during the school year.

JR HIGH and HIGH SCHOOL: This lunch program will be a cash payment system. The Meal of the Day will be priced at \$5.00 which will include a main entrée, side portion and beverage. We will also offer beverage purchases for those students bringing lunch from home. Beverage purchases are \$0.75.

LUNCH MENU: We will publish monthly lunch menus which will be sent home in the middle of the preceding month and posted on the school website. In the event a student honestly forgets their lunch ticket, we will allow a lunch charge on the honor code. We will never deny a student the opportunity to have a daily hot lunch.

ALLERGIES: SLA Management is sensitive to the needs of all students with allergies; however we cannot be absolutely certain that all food products are free of potential allergens, notably peanut or peanut related products. If a student has a severe allergy we strongly advise you consider other lunch options.

We look forward to an exciting year at Berean Christian School. Look for more detailed information in the future. We invite you to our web site www.SLAMGMT.COM. Please feel free to contact us at any time by phone, e-mail or fax. We will see you in the fall. Thank you, and we are looking forward to joining the Berean Christian School family.

Sincerely,

SLA Management
