Academic Profile

CEEB CODE - 101824

History Berean Christian School (BCS) was founded by Berean Baptist Church in 1964. Located at that time on Australian Avenue, the school was named Lakeview Christian School. BCS is now the largest ministry of Grace Fellowship church (formerly Berean Baptist Church). Beginning as a preschool, grades were added each year, with the first high school graduation in 1976. In 1986, the church and school were relocated to the current campus. Now composed of a preschool, elementary school, intermediate school, a junior high and a high school, Berean Christian School has over six hundred students and approximately seventy faculty and staff members. With students served from 2-year-olds through the twelfth grade, Berean Christian School has a long-standing reputation for excellence in our community.

Affiliation & Accreditation Berean Christian School is fully accredited by the Association of Christian Schools International (ACSI) and The Southern Association of Colleges and Schools (SACS). BCS is a member of Christian Schools of Palm Beach County (CSPBC), as well as the Florida High School Activities Association (FHSA).

Academic Program Classes meet daily for a total of 37 weeks per school year. The school day consists of seven class periods per day with 50-minute classes.

Mission Statement The mission of Berean Christian School is to prepare its young people to recognize and serve Jesus Christ as Lord, partnering with family and church. The goal is to instill high spiritual standards, strive for academic excellence, and help students develop socially, physically, and emotionally so that they are ready for life! As the single largest ministry of Grace Fellowship Church, the school also exists to *exalt the Lord, encourage believers*, and to share in the responsibility to *evangelize the world*.
