

BEREAN FINANCIAL ASSISTANCE

Berean Christian School uses an outside, impartial company to process applications for financial assistance. Family Financial Needs Assessment (FFNA) evaluates parent applications and notifies BCS if a parent “qualifies” for assistance. Once a family is determined “qualified,” they are then placed on a list based on date of application approval. Funds are awarded based on financial need, on a first-come basis, with priority being given to existing BCS students. The school has a limited amount of assistance funds available.

NOTE: If your family’s annual tuition expense is more than ten percent of your household’s annual gross income, you will likely qualify thru FFNA for assistance. The maximum awarded assistance will be based on the information provided to the school.

For quick processing, applying on line is the fastest application process available.

Simply visit FFNA’s website at FFNA1.com — Berean’s code is 1801.

\$20	Paper Application	4 Weeks Processing	Available at Admin. Office
\$30	On Line Application	2 Weeks Processing	FFNA1.com (BCS #: 1801)
\$40	Fast Back Application	2 - 3 Business Days	Paper or On Line

Those who apply on line are still required to mail required documentation to FFNA to support application completed on line.

Final notification of financial assistance awards are made by the Headmaster’s Office during the month of May for the following school year. Parents are encouraged to go ahead and enroll their students as soon as possible (January Re-Enrollment Meeting for existing BCS students or February Open House for new students), as space is limited.

Academic and behavior standards are required of those students who are awarded financial assistance. Failure to comply with requirements may disqualify a family from receiving financial assistance. See 2010 - 2011 Financial Assistance Standards.
